Chipley, Florida

**Get more information and  
all study resources at:**  
[www.fws.gov/panamacity/envirothon.html](http://www.fws.gov/panamacity/envirothon.html)

### Join Us!

The Envirothon is a hands-on environmental problem solving competition for high school students.

### Form a team and start studying!

Form teams of five 9-12<sup>th</sup> grade students to compete in areas of soils, aquatics, forestry, wildlife, and a special topic. The special topic in 2014 is sustainable agriculture/locally grown.

Study the resource materials provided and compete locally on March 7<sup>th</sup>. Win 1<sup>st</sup> in your county and go to the state competition in May. Win at state and represent Florida at the international envirothon.

Earn scholarships, prizes, and build relationships and skills that will last a lifetime.
